

Spring Term Newsletter 2

11 February 2010

Dear Parents

The weather hasn't really picked up much this half-term despite our prayers! However, we have organised lots of activities to keep everyone busy during these grey days—with Easter on the horizon I am sure the longer daylight hours will allow for more creative and sporting opportunities to unfold.

Thanks to everyone, as ever, for your much appreciated support.

Royal Albert Hall Choir

Our Y3-6 choir will be performing at the Royal Albert Hall on March 16 in what promises to be an extravaganza of unprecedented proportions (there will be 1500 children singing in total), they have been practicing hard and seem to be really enjoying the build up.

UNICEF—Day for Change

Thanks to all who contributed to the UNICEF –Day for Change—casual clothes day last Friday. We raised £22 which will be forwarded to help water purification projects in Mozambique.

School Council Bring and Buy Sale

We raised £70 for the school council. I bet you were really happy to receive a bag of toys that evening! Thanks for your support.

Sports Opportunities

Paula Bushell organised a Cross Country team representing Langham School which came second in the Houghton Hall event recently.

A group of six Y5/6 children regularly attend the competitive edge, multi-skills academy at Alderman Peel.

Our Tag Rugby tournament is reaching its climax with Terns and Cormorants competing in the final. A new Tag Rugby Club is starting up on Thursday lunchtimes too.

The Yr 1 and 2 children will be participating in an exciting DANCE festival at Alderman Peel High School—details out soon.

Ellie Bushell has been selected to compete in the **BRITISH** biathlon championships at the Crystal Palace National Sports Centre in March, this is a major honour and we all wish her well!

New Hot Cupboard Arrives

Thanks to the hard work of Sal Savory (ex Governor) - we have a new plate/food warmer in the hall. This means that children participating in lunchtime clubs/activities will always have a warm meal waiting for them. Our new menu is attached.

Healthy Lunch Scheme

This is good for all of us—sound advice about '5-a-day' and useful ideas for a healthy packed lunch are being sent home. If you visit www.nhs.uk/change4life there is a facility which allows you to get an action plan for your children which includes a chart and stickers. Looks great fun.

International School Flag

Have you noticed the International School Flag fluttering in the winter breeze?

Thanks to Charlie Ward for arranging for it to be put up—quite impressive isn't it?

100 Club

This is a great way for school and yourselves to raise some money.

For just £1 a month—your name is included in a draw—50% of the monthly fund goes to school and 50% is divided between three winners

If you would like to join (the more the better) please send in £12 for the year £6 for six months or simply return the attached slip with a £1 for a month. Cheques payable to Langham School Friends 100 Club. Please place in an envelope marked '100 Club'.

GO ON YOU KNOW WE'RE WORTH IT!

School Photograph Survey

Thanks to all those who sent in a reply—the results are as follows

Whole School photograph = 14
Whole Class photograph = 21

So the plan will be that we will have three Whole Class photographs on May 19. Class Pictures will do a whole school photograph every four years. Lets see how it goes. Thanks for your support.

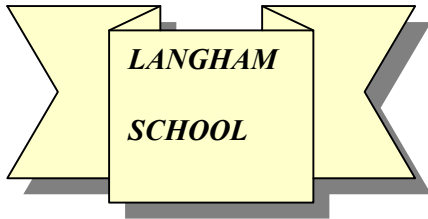

Y4, 5 and 6
How Hill Norfolk Broads Study Centre
June 9-11

We are happy to receive instalments for the above visit at any time. Thank you.

Our next newsletter will highlight all the events we have organised, it looks like a very busy term. Enjoy the break with your children. Best wishes from all of us at Langham

Dear Parents and Friends,

Langham School Friends formed a club in May 1999 in order to subsidise school excursions.

Members of the club pay £1.00 each month (for every number they wish to hold) into a fund and on the first or second Wednesday of each month a draw takes place and three numbers are drawn. Half of the money raised goes towards cash prizes and the other half goes into a special fund to help the school.

If you are interested in joining the club please complete the form below and return it to the School office in an envelope marked "Langham School Friends 100 Club". Once your form has been received you will be sent a confirmation letter with details of your membership. The club is open to anyone over the age of 18, so please ask friends, family or neighbours if they would like to join. Payment can be made either with cash or by cheque (payable to "Langham School Friends 100 Club") on a monthly, quarterly, six monthly or annual basis.

Thank you for reading this letter and we look forward to you joining our Club in the near future.

Mike Green—on behalf of the 100 club

.....
New Membership Registration Form

I would like to join Langham School Friends 100 Club.

I require shares of £1.00 per month.

I enclose the sum of £ to cover ... months.
