

Collective Worship Policy

November 2017

Aims and Purpose

The aims and purpose of collective worship are:

- to provide an opportunity for the children to worship God;
- to enable children to consider spiritual and moral issues;
- to enable children to explore their own beliefs;
- to encourage participation and response;
- to develop in children a sense of community spirit;
- to promote a common ethos with shared values and to reinforce positive attitudes;
- to teach children how to worship.

Collective Worship

We understand worship to be a special act or occasion whose purpose is to show reverence to God. Collective worship involves all members of the school coming together and participating in an assembly. We expect everyone to take an active part in the assembly.

In line with the 1988 Education Reform Act, which states that collective worship should be 'wholly or mainly of a broadly Christian character', we normally base our assemblies on the teachings of Christ and traditions of the Christian Church. However, we conduct our assemblies in a manner that is sensitive to the individual faith and beliefs of all members of the school.

While the majority of acts of worship in our school are Christian, we also hold assemblies that reflect other religious traditions that are represented in the school and the wider community.

Organisation of Collective Worship

We hold a daily act of collective worship in our school.

We conduct assemblies in a dignified and respectful way. We tell children that assembly time is a period of calm reflection. We regard it as a special time and expect children to behave in an appropriate way. We ask them to be quiet and thoughtful and to listen carefully and participate fully in prayer and songs. We create an appropriate atmosphere by using music and appropriate objects that act as a focal point for the attention of the children.

The headteacher or other members of staff normally conduct assemblies, but sometimes local clergy or other representatives of local religious groups conduct them.

We take the themes of our assemblies from the traditions of the Christian faith and they can also reflect and build on topics that we teach as part of the school curriculum.

Our assemblies reflect the achievements and learning of the children. We encourage the children to participate in assemblies by showing their work to the other children and raising issues that they have discussed in their classes, the School. Assemblies offer an opportunity to acknowledge and reward children for their achievements both in and out of school. They play an important part in promoting the ethos of the school, which is that all children are valued and all achievements are recognised. At Langham we celebrate the successes of all the children in assemblies.

Right of Withdrawal

We expect all children to attend assembly. However, any parent can request permission for their child to be excused from attending religious worship and the school will make alternative arrangements for the supervision of the child during the period concerned. Parents do not have to explain or give reasons for this. This complies with the 1944 Education Act and was restated in the 1988 Education Reform Act.

The Headteacher will keep a record of all children who are withdrawn from collective worship.

Monitoring and Review

It is the role of a named school governor with responsibility for religious education and collective worship to monitor the policy and practice of collective worship with the RE Subject Leader/Head teacher.
