

Langham Village School Newsletter September 2017

A place for fun, creativity, friendship, ambition and discovery

Welcome back to School

The children have had a good first few days and are settling into their new classes.

We are looking forward to welcoming our new Reception children on Wednesday.

Coral Class has had a make over too, feel free to have a peep inside!

Jet Class refurbishment

You will have noticed that Jet Class looks a bit different!

We are very pleased with the new look and would like to thank Johnny Markham who came forward to voluntarily manage the build, Anglia Windows who provided the windows for free and to Wordingham Plant Hire who cleared the site without charge. The work has been paid for with some of the money given to us when the hotel and housing went up next door. I know that the children are enjoying their new classroom which also has new heating and air conditioning!
