

Langham Village School Newsletter January 2018

A place for fun, creativity, friendship, ambition and discovery

Christmas Nativity Play

There are still a few DVD's of the Christmas Nativity Play to pick up.

Please ask Mrs Kossowicz if you ordered one. (They are £5)

Well done to all the children, they sang and performed so well.

Reports

Please remember to return the report slip to confirm you have received the report with any comments you have, especially related to the new format.

Please be aware that all curriculum subjects will be reported on in the Summer term. As you know we do value these subjects just as much as maths and English but we wanted to make the report more succinct and to include academic targets.

Happy New Year!

Classroom Connect

Please come to our next Classroom Connect sessions on the 7th and 8th of February after school. An opportunity to visit the classroom and look at your children's work.

7th February for Year 2, 4 and 6

8th February for Year 1, 3 and 5

Parents Evenings

These will be held on the 28th February and 1st of March after school. You will be asked in the week before to make a 10 minute appointment with your child's teacher at a time convenient to you.

Many thanks

Carousel

You should have received a text message if your child needs to bring any equipment or clothing for Tuesday Carousel activities. If you are not sure please check with the office or your child's teacher.

Safeguarding Measures

Next week we are having an entry system fitted to the front door so that we know who is arriving on site and to ensure that visitors and deliveries arrive through the front door and sign in correctly. Over the next few weeks there will then be a fence installed to ensure that visitors are directed to the front door and don't go round to the side entrance. This will also mean that children will not have access to the front gate at play times.

The front door will be opened at 8.30 for drop off and 3.10 for pick up.
