

Langham Village School Newsletter February 2018

A place for fun, creativity, friendship, ambition and discovery

Digital Leaders

These children are responsible for taking care of our IT equipment and teaching others how to use it.

They recently visited the Apple Store in Norwich to take part in a workshop. They made a short film and edited it using i movie.

Parents Evenings

These will be held on the 28th February and 1st of March after school. You will be asked in the week before to make a 10 minute appointment with your child's teacher at a time convenient to you.

Classroom Connect

Please come to our next Classroom Connect sessions on the 7th and 8th of February after school. An opportunity to visit the classroom and look at your child's work.

*7th February for Year 2, 4 and 6
8th February for Year 1, 3 and 5*

Safeguarding Measures

The front door now opens automatically at 8.30 for drop off and 3.10 for pick up. Please don't come in the side door. The gates will be installed at half term.

Design Technology at Gresham's

Some of the children in Jet Class have visited Gresham's each week this half term to complete a DT project making a key ring and a wind twister out of acrylic.

Head Lice

We recently sent advice on how to treat head lice. We have had a few cases. Please ensure children's hair is tied back at school.

You don't need to keep your child off school if you discover head lice, just treat as soon as possible and keep checking.

Thank you

Please ensure children have a warm coat, hat and gloves, it is very cold at play time!
