6<sup>th</sup> July 2018

Dear Jet Class Parents,

On the 13<sup>th</sup> July Years 5 and 6 will be learning about sex and relationships. We will be using the newer version of The Living and Growing materials produced by Channel 4 and we will have a Doctor in class to give the children more general information about staying healthy.

The content of the Living and Growing materials will be available for you to view from Monday either in school or to borrow, please just ask if you would like to see the DVD before the children.

Our policy for Sex and Relationships Education is on our website. We will be sensitive in the delivery of this information but if you feel your child is not ready and would like to withdraw them from this session please let me know.

Thank you for your support

Kind regards

Polly Kossowicz
