## ICT CODE OF CONDUCT

**Please read and return to school – thank you.**

**Parent / carer name:**.....

**Pupil name:** .....

**Pupil's class:** .....

As the parent or carer of the above pupil(s), I grant permission for my child to have access to use the Internet and other ICT facilities at school.

I know that my daughter or son has been taught at school to keep to the school's rules for responsible ICT use, outlined in the E Safety Policy. I also understand that my son/daughter may be informed if the rules have to be changed during the year. I know that the latest copy is available on the website and that further advice about safe use of the Internet can be found at [www.learning.nspcc.org.uk](http://www.learning.nspcc.org.uk)

I accept that ultimately the school cannot be held responsible for the nature and content of materials accessed through the Internet and mobile technologies, but I understand that the school will take every reasonable precaution to keep pupils safe and to prevent pupils from accessing inappropriate materials. These steps include using a filtered internet service, safe access to email, employing appropriate teaching practice and teaching online safety skills to pupils.

I understand that the school can check my child's computer files, and the websites they visit. I also know that the school may contact me if there are concerns about my son/daughter's online safety or online behaviour.

I will support the school by promoting safe use of the Internet and digital technology at home and will inform the school if I have any concerns over my child's online safety.
