

Plan for Improvement and Development:

Our priorities for improvement and development for the coming year focus on four key areas;

Standards, Curriculum, Resources and Leadership

Our recent National test results and 2018 Parent and Pupil Questionnaire feedback have been used to decide upon the priorities for improvement:

Standards

1. To increase the number of pupils achieving higher levels of attainment in Phonics at the end of Key Stage 1 to at least national expectation.
2. To increase the number of pupils achieving expected level of attainment in reading at the end of Key Stage 1 to at least national average.
3. To increase the number of pupils achieving expected level of attainment in writing at the end of Key Stage 1 to at least national average.

Curriculum

1. To increase the focus on the teaching of computing at Key Stage 1 and 2.
2. To further improve school to parent curriculum communication.
3. To monitor and assess children's progress in the Foundation Subjects/International Primary Curriculum (IPC)

Resources

To improve the learning environment for Key Stage 1 children.

Leadership

To review and improve measures for Safeguarding children

Please see our website for a detailed School Improvement and Development Plan.

Langham Village School

Langham Village School:
a place for fun, creativity,
friendship and discovery.

2018/2019

Welcome to the new Academic Year.

Langham Village School is a warm and inviting learning environment with enthusiastic, professional, hard-working staff. We are proud of our broad and balanced curriculum. Outdoor learning, art, music, international links and sport are strengths of the school and the school further develops children's cultural and moral sense in an environment which is welcoming, nurturing, caring and safe. The school has achieved the Gold Sports Award, Healthy Schools Status and achieves well at local and County sports events.
