

Langham Village School Newsletter November 2018

A place for fun, creativity, friendship, ambition and discovery

Parents Evenings

There will be an opportunity to meet with teachers for a 10 minute appointment to discuss your child's progress on 27th , 28th or 29th November. There will be a sign up form on the classroom doors the week before the event. Please ensure you sign up for an appointment. This face to face meeting will give you the opportunity to ask questions and give you a clear idea of how your child is doing in school and what they need to work on next. There will not be termly written reports this year, a full report will be issued in June.

Nativity Play

We will soon be casting our Nativity play! Please keep an eye out for the costume letter letting you know what your child will need to wear.

Keep up to date

Please check the weekly calendar on the website to know what is happening each week.

Woodland Learning

Following the departure of Wendy our Forest schools Instructor we are continuing sessions within classes at different times of the year. At the moment Coral Class will take part in Woodland Learning on a Thursday and Quartz Class on a Tuesday. They will need suitable warm outdoor clothes to take part.
