

Langham Village School Newsletter October 2018

A place for fun, creativity, friendship, ambition and discovery

Classroom Connect

On the 9th and 10th of October, you are invited to come into the Classrooms after school between 3.10 and 4.00 to talk to the children about their learning and take a look at books and displays.

There will be an opportunity to meet with teachers more formally on 27th /28th /29th November at Parents Evening.

Cooking and Nutrition

Year 2 have enjoyed cooking and nutrition with Mrs Spinks on a Monday afternoon. They have made smoothies, apple crumble and studied nutrition ; thinking about how much sugar is in drinks, how much water we should drink and the importance of breakfast.

Year 3 will start after half term.

Library books

We have been issued with a large bill for missing library books. We know they are out there somewhere! Please would you have a good look at home for them and return them to the office.

School Improvement and Development Plan

Thank you to those of you who completed a Parent Questionnaire last term. The results have been analysed and can be found on the website. Together with Pupil Results we have used your feedback to inform our areas for improvement this year.

This week you will receive a Langham Leaflet outlining the areas of improvement for this year together with our pupil results.

Our Key stage 2 results were particularly impressive this year with 100% of children taking the tests making at least nationally expected standards. Please see the Langham Leaflet for more detail.

Thank you for raising £65.50 for Jeans for Genes!

After School Clubs

There will be a Multi Sports after school Club for Year 1—6 after half term on Fridays starting on the 9th Nov.

Contacting Governors

A reminder that Governors can be contacted at office@langham.norfolk.sch.uk

Matthew Coe, Suzy Jones, Jennie Walker, Maggie Broad, Denise Markham Wroe, Jo Green, Polly Kossowicz
