Langham Woodland Learning Permission Form

Name of Child _____ Year group Reception

I agree to my child taking part in Woodland Learning activities at regular intervals during the coming academic year.

I understand that my child will, at an appropriate level, have opportunities to work with hand tools and small fires through the course of their work.

I understand that my child will work in groups containing adult-child ratios of at least 1:8 at all times.

I agree to my child being photographed during Woodland Learning activities for my child's or the school's own use.

I agree to provide my child with the appropriate clothing for the weather conditions and understand that they will get dirty.

Medical Information

I confirm that the medical information I have supplied to the school is up-to date.

As an additional precaution, we are required to ask you in more detail about allergies and insect stings. Please tick the appropriate box(es):

- My child has never been stung by a wasp/bee
- My child has been stung by a wasp/bee and made a normal recovery
- My child has been stung by a wasp/bee and had an allergic reaction

If you ticked the final box, we will get in touch with you to get further information.

My child has the following food allergy/allergies:

Signed _____ Parent/ Carer

Name of Parent/Carer (print) _____ Date.....

Woodland Learning – 9th October 2018

Dear Parents/Carers,

After half term the children in Coral Class will take part in Woodland Learning on a **Thursday morning**.

An integral part of the Woodland Learning experience is that children will experience the outdoors in all but very extreme weathers. Please assume that your child will be outside when they take part in Woodland learning for most of the morning.

We ask you to supply waterproofs, wellington boots and, on sunny days, a sun hat and sun cream; on colder days, warm clothing. **Please be aware that your child is likely to get muddy! They can come to school in their uniform and bring their Woodland Learning equipment in a bag.**

Woodland Learning activities will teach the children about caring for, managing and understanding the woodland environment. To do this, children will have opportunities to use small hand tools, cook on a fire and under supervision will climb trees. These sessions can only be run with a high adult to child ratio.

Ultimately, by raising your child's independence and self-esteem, they should be able to use Woodland Learning to enhance their learning in other areas of the curriculum.

Please would you complete the attached consent form for Woodland Learning activities.

If you have any questions please ask.

Thank you for your support

Mrs Kossowicz
