Children in Need 2018

What a brilliant effort, well done for raising a grand total of £117.36 for a very worthy cause.

Reports

Through the parent questionnaire feedback it was found that you would like more face to face feedback from teachers. So this year children in Year 1-6 will receive a termly target sheet at the parent's evening meetings. This will include current attainment, effort and next steps in reading, writing and maths.

Classroom Connect

Thank you for all those who came to look at their children's work in October. We are holding the next sessions in February just before Half term. You are invited to visit your child's classroom and share their work with them after school. The two dates planned for next term are

12th February for Year 2, 4 and 6

13th February for Year 1, 3 and 5
