Fund Raising

We have started fund raising for a

‘Mile a Day Track.’

This will enable the children to take part in this activity every day of the year whatever the weather. It will go round the outside of the field and not infringe on the sports areas or woodland.

Research has shown that running every day improves both physical and mental fitness in children. Please look out for fundraising activities to come and support where you can.

Thank you to all who performed at the Talent Show.

It was spectacular!

Thank you to those parents who supported us in the audience and for your donations.

Night Zoo News!

Abe's character Vincent Van Melon has been chosen to be in Episode 10 of The Night Zoo Keeper series on Sky Kids! Wow Abe!! Congratulations! Fame at last!

School Lunch price increase
After Easter school lunches will be charges at £2.30.

Please support your school

The Friends are in need of more members. It is not a huge commitment; you can do as much or as little to help as you like. More hands make light work.

Please email
office@langham.norfolk.sch.uk
if you can offer any help.

Thank you

Plastic

We want to reduce the amount of single use plastic in school. The children are very keen on this project and have set up a committee who have started clearing the grounds, recycling crisp packets & planning new initiatives. In time we would like to be a single use Plastic Free school. **The children would like to organise a beach clean next term.**
