5th March 2019

Parents' Forum

Dear Parents and Carers,

You are invited to a Parents' Forum on:

Wednesday 20th March at 5.00pm

or

Thursday 21st March at 9.00am

There are two meetings so that we can hopefully accommodate as many parents as possible.

This event will be hosted by the Governors and has been a very productive session in the past. We will start with a brief explanation as to how the school is funded and what challenges a small rural school faces. We will then move onto an open format where anyone is welcome to raise a subject or a recommendation for how things could be even better at our school.

Past topics have included improving the safety of the children with the introduction of a gate and entry system, the request for additional parents' literary and numeracy workshops, the request for a Breakfast club to be provided, volunteers for after school clubs etc.

We really hope that you can come along to one of the sessions as we'd love to meet with everyone and hear your views. If there is something you would like to propose for discussion then please pop a note in an envelope marked 'Parents' Forum' and leave it with the Office. If you can't make the meeting but have a topic you would like to discuss then please leave your contact details with the Office and we will contact you.

Thank you for your support

The Governors of Langham Village School
