Parents Evenings

There will be an opportunity to meet with teachers for a 10 minute appointment to discuss your child's progress on 5th, 6th & 7th November. There will be a sign up form on the classroom doors the week before the event. Please ensure you sign up for an appointment. This face to face meeting will give you the opportunity to ask questions and give you a clear idea of how your child is doing in school and what they need to work on next. You will also receive a written progress update and targets to work on.

Safeguarding and Site Security

Please respect our security by not forcing the side gate open when it is locked. It will be locked between 9.10 and 3.10.

School Improvement and Development Plan

Thank you to those of you who completed a Parent Questionnaire last term. The results have been analysed and can be found on the website.

Together with Pupil Results we have used your feedback to inform our areas for improvement this year.

This week you will receive a Langham Leaflet outlining the areas of improvement for this year.

Our Key stage 2 results were again particularly impressive this year with 82% of children achieved at least nationally expected standard, the national average was 65%

Please see the Langham Leaflet for more detail.

Parent Governor Elections

We are looking to recruit a parent Governor. Please look out for the letter and see Mrs Kossowicz or Denise Markham Wroe if you might be interested in the position.
