### 1. Introduction and aims

At Langham Village School we recognise that mobile phones, including smart phones, are an important part of everyday life for our pupils, parents and staff, as well as the wider school community.

Our policy aims to:

- Promote, and set an example for, safe and responsible phone use
- Set clear guidelines for the use of mobile phones for pupils, staff, parents and volunteers
- Support the school's other policies, especially those related to child protection and Safeguarding

This policy also aims to address some of the challenges posed by mobile phones in school, such as:

- › Risks to child protection
- › Data protection issues
- › Potential for lesson disruption
- › Risk of theft, loss, or damage
- › Appropriate use of technology in the classroom

## **2. Roles and responsibilities**

### **2.1 Staff**

All staff (including teachers, support staff, and supply staff) are responsible for enforcing this policy.

Volunteers, or anyone else otherwise engaged by the school, must alert a member of staff if they witness, or are aware of, a breach of this policy.

The headteacher is responsible for monitoring the policy every two years, reviewing it, and holding staff and pupils accountable for its implementation.

### **2.2 Governors**

Governors monitor or review this policy every two years

## **3. Use of mobile phones by staff**

### **3.1 Personal mobile phones**

Staff (including volunteers, contractors and anyone else otherwise engaged by the school) are not permitted to make or receive calls, or send texts, while children are present. Use of personal mobile phones must be restricted to non-contact time, and to areas of the school where pupils are not present such as the library area at lunch time.

There may be circumstances in which it's appropriate for a member of staff to have use of their phone during contact time. For instance:

- › For emergency contact by their child, or their child's school
- › In the case of acutely ill dependents or family members

The headteacher will decide on a case-by-basis whether to allow for special arrangements.

If special arrangements are not deemed necessary, school staff can use the school office number 01328 830377 as a point of emergency contact.

### **3.2 Data protection**

Staff must not use their personal mobile phones to process personal data, or any other confidential school information. Please see Social Media Policy.

### **3.3 Safeguarding**

Staff must refrain from giving their personal contact details to parents or pupils, including connecting through social media and messaging apps.

Staff must avoid publicising their contact details on any social media platform or website, to avoid unwanted contact by parents or pupils. Please see Social Media Policy

Staff must not use their mobile phones to take photographs or recordings of pupils, their work, or anything else which could identify a pupil. If it's necessary to take photos or recordings as part of a lesson/school

trip/activity, this must be done using school I pads. Teachers are permitted to use their phone to take photos for the purposes of Twitter, photos must be deleted once tweeted.

### **3.4 Using personal mobiles for work purposes**

In some circumstances, it may be appropriate for staff to use personal mobile phones for work. Such circumstances may include, but aren't limited to:

- Emergency evacuations
- Supervising off-site trips
- Supervising residential visits

In these circumstances, staff will:

- Use their mobile phones in an appropriate and professional manner, in line with our staff code of conduct
- Not use their phones to take photographs or recordings of pupils, their work, or anything else which could identify a pupil
- Refrain from using their phones to contact parents. If necessary, contact must be made via the school office

### **3.6 Sanctions**

Staff that fail to adhere to this policy may face disciplinary action.

## **4. Use of mobile phones by pupils**

Pupils are not permitted to have mobile phones upon their person in school. We recognise that our oldest pupils may walk on their own to and from school and parents may wish them to have a mobile phone for emergencies. However we discourage this on security grounds as they are easily lost, damaged or stolen.

Pupils are taught that they shouldn't have a mobile phone on their person in school and that any phone brought in must be handed to the office for the duration of the day.

We expect pupils not to carry a mobile phone in school.

### **4.1 Sanctions**

Any phone found on site belonging to a pupil will be confiscated and returned to the parents or carers.

The DfE guidance allows school staff to search a pupil's phone if the school have reason to believe the phone contains pornographic images, or if it is being/has been used to commit an offence or cause personal injury.

Certain types of conduct, bullying or harassment can be classified as criminal conduct. The school takes such conduct extremely seriously, and will involve the police or other agencies as appropriate.

Such conduct includes, but is not limited to:

- Sexting
- Threats of violence or assault
- Abusive calls, emails, social media posts or texts directed at someone on the basis of someone's ethnicity, religious beliefs or sexual orientation

## **5. Use of mobile phones by parents, volunteers and visitors**

Parents, visitors and volunteers (including governors and contractors) must adhere to this policy as it relates to staff if they are on the school site during the school day.

This means:

- Not taking pictures or recordings of pupils, unless it's a public event (such as a school fair), or of their own child
- Using any photographs or recordings for personal use only, and not posting on social media without consent
- Not using phones in lessons, or when working with pupils

Parents, visitors and volunteers will be informed of the rules for mobile phone use when they sign in at reception or attend a public event at school.

Parents or volunteers supervising school trips or residential visits must not:

- Use their phone to make contact with other parents
- Take photos or recordings of pupils, their work, or anything else which could identify a pupil

Parents or volunteers supervising trips are also responsible for enforcing the school's policy for pupils using their phones, as set out in section 4 above.

Parents must use the school office as the first point of contact if they need to get in touch with their child during the school day. They must not try to contact their child on his/her personal mobile during the school day.

## 6. Loss, theft or damage

The school accepts no responsibility for mobile phones that are lost, damaged or stolen on school premises or transport, during school visits or trips.

Confiscated phones will be stored in the Head teacher's office until it is returned to the parents or carers

## 7. Monitoring and review

The school is committed to ensuring that this policy has a positive impact of pupils' education, behaviour and welfare. When reviewing the policy, the school will take into account:

- Feedback from parents and pupils
- Feedback from teachers and support staff
- Records of behaviour and safeguarding incidents
- Relevant advice from the Department for Education, the local authority or other relevant organisations

Governors will review this policy biannually
