

Langham Village School Newsletter June (2) 2021

A place for fun, creativity, friendship, ambition and discovery

Preparation for September 2021

We are looking forward to welcoming 16 new pupils into Coral Class in September, we are visiting them at nursery and most of them have already visited school and met the teachers. Sadly, due to the new Government announcement about the extension of Covid restrictions we won't be able to have our planned 'move up mornings' this term. New Reception children will now take part in transition in September and there will be a socially distanced new parents meeting as planned on the 6th July.

Wear it Wild for WWF

On the 22nd June we invite children to come dressed in animal print and make a small donation to The World Wildlife Fund. We will be learning about endangered animals in class.

To donate go to:

<https://www.justgiving.com/fundraising/langhamvillageschool>

Summer Fayre

In place of the fayre The Friends are organising a fantastic raffle so look out for the adverts and tickets!

End of term celebrations

If Covid restrictions are lifted on the 19th we will be able to go to the beach as a whole school on the 20th July. We will also be able to invite all parents into school for an outdoor assembly to say good bye to our leavers and have a bit of a get together and maybe a picnic on the last afternoon of term.

Fingers crossed!

Sports day 2021

Sports day will go ahead as planned on the 25th July but without spectators. We will take lots of photos and video and put them on the website for you to see.

We will have a picnic before the races, children can order a school packed lunch or bring their own.

Please can children come to school in PE kit with a T-shirt in the colour of their House Team. If you don't know which House your child is in please ask their teacher or phone the office.

Watch out head lice about!

Check regularly, treat if you find any and tie children's hair back please.

Revised dates to remember:

22nd June—WWF wear it Wild day
