2021/2022

# Welcome to the new Academic Year

Langham Village School is a warm and inviting learning environment with enthusiastic, professional, hard-working staff. We are proud of our broad and ambitious curriculum. Outdoor learning, art and sport are strengths of the school and the school further develops children's cultural and moral sense in an environment which is welcoming, nurturing, caring and safe.

## Plan for Improvement and Development:

Our priorities for improvement and development for the coming year focus are split into four key areas; Standards, Curriculum, Leadership and Resources.

### Standards

1. To ensure the recovery and learning in the aftermath of a pandemic.
2. To assess and monitor progress of children in all year groups
3. To implement interventions and catch up programs in KS1 & KS2

### Curriculum

1. To embed the new curriculum ensuring progression through year groups
2. To embed system of subject leadership
3. To implement new Accelerated Reader program in Key stage 2

### Leadership

1. To monitor the impact of the new curriculum
2. To monitor the impact and recovery from pandemic
3. To ensure parents are fully informed of teaching and learning

### Resources

1. Investigate the extension of Coral Class
2. To ensure adequate electricity supply for the building
3. Tree surgery to be carried out to address all identified issues
