## Introduction

The Governing Board of Langham Village School recognises that pay is of considerable importance in the management and motivation of staff. Pay will influence relationships and performance at work and, if it is to be a positive rather than negative force, it is important to secure as much agreement as possible about its aims and to ensure transparency around pay related decision making.

The aim of the policy is to:

- Maximise the quality of teaching and learning at the school
- Support the recruitment and retention of a high-quality teacher workforce
- Enable the school to recognise and reward teachers appropriately for their contribution to the school
- Help ensure that decisions on pay are managed in a fair, just and transparent way.

The policy has been consulted on with staff and/or the recognised trade unions.

**Section A** of this policy covers general policy statements.

**Section B** details pay related decision-making provisions for the different categories of staff employed in the school.

## **Section A**

### **1. Pay differentials**

- 1.1 Salaries assessed in accordance with this policy will take into account:
- the nature of the post and level of responsibility
  - the qualifications, skills and experience required
  - market conditions
  - the wider school context
  - other material differences between posts
  - any requirements of the STPCD, or for support staff, the relevant job evaluation or grading scheme.

### **2. Pay structure**

- 2.1 For the purposes of transparency and to deliver a clear framework for the Headteacher and staff to operate within, the Governing Board has adopted the pay structures for leadership and teaching staff detailed at Annex 4 and pay scales for support staff detailed at Annex 5.
- 2.2 All staff will have their salaries determined through this policy other than those individuals who have pay arrangements which are specifically protected by Transfer of Undertakings (Protection of Employment) [TUPE] legislation.

### **3. Salary protection or safeguarding**

- 3.1 The Governing Board will ensure that salary protection or safeguarding arrangements are in place in accordance with the provisions of the STPCD or national or local collective agreements as appropriate.
- 3.2 Employees in receipt of salary protection or safeguarding payments will be expected to undertake commensurate work.

### **4. Pensions**

- 4.1 The Governing Board will not increase the salary of any employee or use any other pay flexibilities in order to secure an improved pension entitlement on retirement. Such enhancements would likely be in breach of pension scheme legislation and may represent misuse of public funds. The Governing Board recognises that a pension scheme may exercise their powers to use a notional salary for benefits calculation if it believes an inflated salary has been allowed. The DfE and/or Local Authority may exercise their powers to remove financial delegation in such circumstances.

### **5. Equality**

- 5.1 It is the intention of the Governing Board that pay is awarded fairly, equitably and in support of the school's policy on equality, recognising their responsibilities under relevant legislation.

- 5.2 Appropriate consideration will be given as to how the provisions of this pay policy will be applied where staff have been absent for long periods e.g. due to sickness or maternity leave.

## **6. Delegation of authority**

- 6.1 The Governing Board has overall responsibility for pay matters but the Pay Committee and Headteacher Pay Committee (or equivalents) have full delegated powers to make decisions within the pay policy. The Headteacher may operate the pay policy on a day-to-day basis in line with boundaries set by the Governing Board.

## **7. Appeals against pay decisions**

- 7.1 An employee may appeal against any determination in relation to their pay or any other decision taken that affects their pay. Appeal arrangements are outlined at Annex 1.

## **8. Monitoring**

- 8.1 The Governing Board will monitor the outcomes and impact of this policy on a regular basis and will ensure its continued compliance with equalities and other legislation.

## **Section B**

## **9. Pay reviews for teaching staff**

- 9.1 The Governing Board will ensure that the salary of all teaching staff is reviewed annually. Reviews must be completed no later than 31 October for all teachers, with any change having retrospective effect from 1 September.
- 9.2 Reviews may take place at other times of the year to reflect changes in circumstances or job description that warrant an adjustment to the pay level attached to a specific post.
- 9.3 All teaching staff will be given a written statement following the annual or any other review, setting out their salary and other financial benefits to which they are entitled, and this should be provided within one month. The content of the written statement will be in line with the requirements of the STPCD.

## **10. Pay reviews for support staff**

- 10.1 The conditions of service for support staff may provide for a number of incremental points within a specified grade. Where this is the case, support staff will progress through the incremental points until they reach the maximum of their grade. Incremental progression will be automatic unless the member of staff is subject to capability procedures, in which case, their annual increment is likely to be withheld. The annual incremental date will be 1 July (in line with the Norfolk County Council Modern Reward Strategy (MRS) local agreement arrangements) except when the member of staff does not have six months service by that date. In these circumstances the first increment is awarded after six months service.

## **11. Part-time teachers**

- 11.1 Teachers employed on a contract at the school who work less than a full working week are deemed to be part-time. The STPCD contains specific requirements for the determination of pay for part-time teachers. It states that a part-time teacher should be paid a proportion of a full-time salary including relevant allowances (except TLR3), equivalent to the proportion of time they work against the School's Timetabled Teaching Week (STTW). The STTW refers to the school session hours that are timetabled for teaching, including PPA time and other non-contact time but excluding break times, registration and assemblies.
- 11.2 The Governing Board requires that the salaries of part-time teachers are calculated in line with the example given in the STPCD (main document and guidance).

## **12. Short notice/supply teachers**

- 12.1 Teachers who work on a day-to-day or other short notice basis will be paid in accordance with the requirements of the STPCD.
- 12.2 Such teachers will have their pay assessed as an annual amount. Payment will then be based on that annual amount divided by one hundred and ninety-four for each full day worked. The maximum number of hours a supply teacher can be paid for on any one day is six and a half. Teachers who work less than a full day will have their payment based on an hourly rate calculated from their annual amount divided by 194 and then divided by 6.5.
- 12.3 These arrangements apply only to teachers employed directly by the school on a day-to-day or other short notice basis and pay arrangements will be confirmed with the teacher before the placement starts. Agency workers will be covered by the pay arrangements determined by their employing agency.

## **13. Leadership Group pay**

- 13.1 Salaries for members of the leadership group will be assessed:
- on appointment to the school
  - annually, to take effect from 1 September
  - upon any adjustment to the Headteacher group or pay range
  - at any other time provided for within the STPCD.

### **13.2 *Stage 1 - defining the role and determining the Headteacher group***

For any leadership post, the Governing Board will define the role, responsibilities and accountabilities, as well as the skills and relevant competences required by the postholder and will be paid within the statutory pay range for such employees as detailed in the STPCD.

The Governing Board will assign a Headteacher group in respect of any Headteacher post. This will be done by calculating the total unit score in accordance with the STPCD. This group will be reviewed whenever the Governing Board deems it necessary.

For other leadership group posts, consideration will be given to how the role fits within the wider leadership structure of the school.

The pay range for a Deputy or Assistant Headteacher will only overlap the Headteacher's pay range in exceptional circumstances.

The Governing Board has determined the Headteacher group of the school to be Group 12 -18.

### 13.3 **Stage 2 - setting the indicative pay range**

In determining leadership pay ranges, the Governing Board will consider the complexity and challenge of the role in the school's specific context and make a judgement on pay in the light of this.

#### *Headteachers*

For Headteachers, discretionary payments such as allowances for recruitment and retention, permanent additional responsibilities (e.g. the provision of initial teacher training (ITT)), and long-term provision to other schools, will be captured as part of this process.

In setting the pay range, the Governing Board has taken into account additional factors to the extent deemed appropriate for the school. The additional factors are:

**The context and challenge arising from pupils' needs, e.g., high level of deprivation in the community (Free School Meal entitlement and/or English as an Additional Language (EAL) indicators) or there are high numbers of Looked After Children (LAC) or children with special needs or there is a high level of in-year pupil mobility, and this affects the challenge in relation to improving outcomes.**

- **A high degree of complexity and challenge which goes significantly beyond that expected of any Headteacher of similar sized school(s) and is not already reflected in the total unit scored used at Stage 1.**
- **Additional accountability not reflected in Stage 1, e.g. leading a teaching school alliance.**
- **Factors that may impede the school's ability to attract a field of appropriately qualified and experienced leadership candidates, e.g. location, specialism and/or level of support from the wider leadership team.]**

The Headteacher's individual pay range will not normally exceed the maximum of the Headteacher group, however, the Governing Board recognises its entitlement to set a range with a maximum of up to 25% above the top of the relevant Headteacher group range. The Governing Board also recognises it has the option of extending the pay range further, although in order to do so, would be required to seek external independent advice and have a business case approved by the full Governing Board.

In determining appropriate pay ranges, the Governing Board will avoid double counting, e.g. things taken account of in Stage 1, such as responsibility for an additional school already reflected in the unit total score.

### *Other leadership posts*

For leadership posts other than the Headteacher, the Governing Board will give consideration to similar factors but also to the positioning of those posts between the Headteacher and other teaching staff in the school.

The Governing Board has set indicative pay ranges as follows:

- seven consecutive points on ESOPS - Leadership Group Range for the Headteacher

## **13.4 Stage 3 - setting the starting salary and individual pay range**

New members of the leadership group will normally be appointed to the indicative pay range for the role as above.

The Governing Board will ensure, on appointment, that the starting salary is set at a level within the indicative pay range which allows performance related progression over time.

## **13.5 Pay progression for leaders**

In accordance with the requirements of the STPCD, the Governing Board will consider annually whether or not to increase the salary of members of the leadership group, who have completed a year of employment since their previous pay determination. This consideration will take into account the performance of those individuals during the period in question.

Performance objectives will be set annually with leadership group staff in accordance with the Performance Management Policy.

There shall be no progression up the pay spine unless there has been a sustained high quality of performance having regard to the results of the most recent appraisal carried out in accordance with those regulations.

Pay progression decisions will be clearly attributable to the performance of the individual. Sustained high quality of performance, having regard to the results of the most recent appraisal, should give the individual an expectation of progression within their pay range where there is scope for such progression.

Where there is sustained high quality performance, salary will normally be increased by one point within the individual salary range. In exceptional circumstances, pay may progress by two points in one year but in no circumstances will pay progress by more than two points within the set range. Such points will be effective from 1 September each year.

In relation to the setting and review of performance objectives, the Governing Board will be advised by an external adviser.

Pay progression will only continue until the maximum of the individual salary range is reached. The Governing Board will not re-set the individual salary range solely because the member of the leadership group has reached the maximum of their range.

### **13.6 *Determination of temporary payments to Headteachers***

The approach outlined in paragraphs 13.2 to 13.4 will capture all permanent responsibilities attached to a Headteacher's post. In most cases, therefore, additional payments will only be awarded for clearly temporary responsibilities or duties that are in addition to the post for which their salary has been determined, and only where the reason or circumstance for the additional payment was not taken into account when determining the pay range.

The total sum of the temporary payments made to a Headteacher in any academic year will not exceed 25% of the annual salary which is otherwise payable. Further, the total sum of salary and other payments will not exceed 25% above the maximum of the Headteacher group (except in wholly exceptional circumstances, in which case, the Governing Board will seek external independent advice before providing such agreement).

Payments relating to residential duties or relocation expenses (see below) should not be included in this calculation.

## **14. Leading practitioners**

- 14.1 Where the Governing Board appoints leading practitioners whose post will have the primary purpose of modelling and leading improvement of teaching skills, those staff will be subject to the pay arrangements set out in the STPCD which require the setting of an individual pay range within the wider pay range for leading practitioners.

When setting the individual pay range for leading practitioners, the Governing Board will have regard to the challenge and demands of the individual post and internal pay relativities. If more than one leading practitioner post exists in the school, each will be allocated an individual pay range specific to the different demands and challenges of those posts.

### **14.2**

The Governing Board has adopted a pay range for leading practitioners using reference points set out on the attached ESOPS (see Annex 4). Each leading practitioner will be appointed on a pay range consisting of five points on the school's pay range for leading practitioners.

When determining the appropriate five-point range, the Governing Board will have regard in particular but not exclusively, to:

- the nature of the work to be undertaken
- the degree of challenge of the role
- the professional competencies of the teacher
- any other recruitment considerations that it considers relevant.

Appointment to the individual pay range will ensure scope for future performance related pay progression.

In accordance with the school's Performance Management Policy, the Governing Board requires the Headteacher to agree performance criteria annually with the leading practitioner and review performance against those criteria.

There will be no movement up the pay range unless there has been a sustained high-quality performance by the leading practitioner in the light of the performance criteria previously agreed.

The Governing Board may award movement up the pay range by two, one or no reference points, in accordance with the provisions of the school's Performance Management Policy with reference to the leading practitioner's appraisal reports and the pay recommendations they contain. Movement up the pay range will not exceed the equivalent of two reference points in an academic year.

## **15. Main pay range for qualified teachers**

### **15.1 *Determination of salary on appointment***

The Governing Board has adopted a six-point main pay scale which begins at the minimum of the pay range and ends at the maximum and contains four reference points in between. This is set out in ESOPS (see Annex 4) and mirrors the advisory pay points laid out in the STPCD.

On appointment, points on this pay scale will be awarded as follows:

- qualified teachers will commence on at least the minimum point of the adopted Main Pay Scale.
- one point will be awarded for each year of teaching employment as defined by the STPCD. further points (subject to a maximum of one point per year) may be awarded in respect of other relevant experience, if considered appropriate. This may include teaching in a City Academy, City Technology College, independent school, sixth form college, or higher or further education establishment.
- additional points (subject to a maximum of one point for every three years) may be awarded for service as a qualified teacher in an overseas school outside of the EEA in the maintained sector of the country concerned, or outside teaching but in a relevant area (including industrial or commercial training, or time spent in an occupation relevant to the teacher's work at the school).
- the school will consider the awarding of points on appointment on a case by case basis, having regard to equal opportunities, fairness and transparency.
- points awarded for experience will be awarded on a permanent basis while employed at the school.

On appointment to the school, salaries will be assessed in accordance with the following:

- **the nature of the post**
- **the level of qualifications, skills and experience required**
- **market conditions**

### **15.2 *Consideration of existing salary on appointment***

The Governing Board has determined that it will recognise existing salaries when making a new appointment.

### **15.3 *Salary progression on the main pay scale***

In accordance with the school's Performance Management Policy, the Governing Board shall require the Headteacher to agree performance criteria annually with each teacher and review performance against those criteria.

There will be no movement up the pay range unless there has been a sustained high-quality performance by the teacher in the light of the performance criteria previously agreed between the Governing Board and the teacher and as evidenced by a successful performance management review.

The Governing Board will award movement up the pay range by one reference point as part of any pay review with reference to the teacher's most recent appraisal report and the pay recommendation contained therein.

## **16. Upper pay range**

The Governing Board will pay teachers on the upper pay range where the stated criteria in the STPCD are met.

### **16.1 *Pay levels***

The Governing Board has adopted an upper pay scale that consists of the minimum and maximum values of the upper pay range plus one reference point as set out under ESOPS scales (see Annex 4) which mirrors the advisory points included in the STPCD.

### **16.2 *Application process***

A qualified teacher may apply to be paid on the upper pay range at least once in any year in line with the school's policy.

The Governing Board has delegated the receipt and assessment of any applications to the Headteacher.

The application must contain a summary of the evidence the teacher wishes to rely on in order to demonstrate that their performance merits access to the upper pay range and must include evidence of the two most recent, successful appraisal outcomes. See Annex 6 for a model version of the process.

Having considered the evidence in the application and any other evidence considered appropriate, the Headteacher will determine whether the applicant can progress to the upper pay range. The Headteacher will need to be satisfied that:

- the teacher is highly competent in all elements of the relevant standards, and
- their achievements and contribution to the school are substantial and sustained.

If successful, the teacher will be placed on the lowest point of the upper pay range from the 1 September following the date of application.

### **16.3 *Salary progression on the upper pay scale***

In accordance with the school's Performance Management Policy, the Headteacher will agree performance criteria annually with the teacher and review performance against those criteria.

There will not be any movement up the pay range unless there has been a sustained high-quality performance by the teacher in the light of the performance criteria previously agreed. The Governing Board may decide to award movement up the pay range by one reference point as part of any pay review with reference to the teacher's most recent appraisal report and the pay recommendation contain therein.

No TLRs have been attached to posts in the school's structure.

### **17.2 *Special educational needs allowance (SEN)***

No SEN allowances have been attached to posts in the school's structure.

## **17. Additional payments to teachers**

The Governing Board may exercise its discretion to award additional payments to teachers as follows:

### **18.1 *Continuous professional development outside normal school hours:***

The Governing Board has chosen not to exercise its discretion to award additional payments for continuous professional development outside of normal school hours

### **18.2 *Activities relating to the provision of initial teacher training:***

The Governing Board has chosen not to exercise its discretion to award additional payments in respect of the provision of initial teacher training.

### **18.3 *Participation in out of school hours learning activities:***

The Governing Board has chosen not to exercise its discretion to award additional payments for participation in out of school learning activities.

**18.4 *Additional responsibilities and activities linked to provision of services relating to raising of educational standards to one or more additional schools:***

The Governing Board has chosen not to exercise its discretion to award additional payments for additional responsibilities and activities linked to provision of services relating to raising of educational standards to one or more additional schools.

**18.5 *Acting allowances***

Where a teacher is assigned and carries out the duties of a Headteacher, Deputy Headteacher, or Assistant Headteacher but has not been appointed in an acting capacity, the Governing Board shall, within four weeks, determine whether or not an allowance should be paid in accordance with the provisions of the STPCD.

**18.6 *Recruitment and retention incentives and benefits***

The Governing Board has chosen not to exercise its discretion to award such incentives and benefits.

**18. Residential teacher duties**

There are no residential teachers at the school.

**19. Unqualified teachers**

- 20.1 The salaries of unqualified teachers will be assessed on appointment and will be paid on the unqualified teacher pay range.

The Governing Board will determine a starting salary for each unqualified teacher within the pay range for unqualified teachers in the STPCD.

**20. Pay increases arising from changes to the STPCD**

- 21.1 All teachers are paid in accordance with the statutory provisions of the STPCD as updated from time to time. In respect of annual cost of living increases,

Any teacher being paid at the minimum of a range will receive an uplift where required to keep them within their range. Beyond that, increases may be applied to: basic pay; and/or

- TLR and SEN allowances in payment; and/or
- other allowances in payment.

Other than where those at the minimum of a range are automatically uplifted, the Governing Board will consider the uplift on a year by year basis. The general intention of the Governing Board is to maintain a clear structure of points in line with ESOPS but it reserves the right to move away from this through any annual determination.

## 21. Support staff

### 22.1 Salaries for support staff are determined in accordance with nationally and locally agreed conditions of service.

The grades and salaries for support staff in this school are determined in accordance with Norfolk County Council's Modern Reward Strategy local agreement and subsequent related local/collective agreements (other than where exceptions apply). Arrangements for grading, salary progression and cost of living increases are all covered by those agreements.

The salaries of all support staff will normally be assessed:

- on appointment to the school
- annually to take effect from 1<sup>st</sup> July
- upon an appropriate request by the postholder
- at any other time deemed appropriate by the Governing Board.

This assessment will be determined by the following criteria:

- responsibilities of the post and within the MRS framework
- performance of the postholder in accordance with previously agreed objectives and the relationship between the outcome and the scheme for progression (i.e. annual increments within the grade)
- in accordance with any career progression scheme for support staff in use at the school.

### 22.2. Acting up and Honoraria payments

Where a support staff employee is required to undertake the full duties and responsibilities of a higher graded post for a continuous period of at least four weeks, they are entitled to the salary in accordance with the grade of the new role. This is known as 'Acting Up'. Where an employee is undertaking duties of a higher level of responsibility for a continuous period of at least four weeks but is not covering the full role to which the responsibilities relate to, they may be entitled to an honorarium payment. Please see the *Acting Up and Honorarium Policy P212* on InfoSpace for further information.

## 22. Apprenticeships

The rate paid to an apprentice will be dependent on the status of the post they occupy. If the post they occupy is part of the normal staffing structure of the school, the apprentice will be paid the normal rate for the job under the provisions outlined above. If the post is additional to the normal staffing structure, the appropriate apprenticeship rate will normally be attached to the post. Current apprenticeship rates are published at [www.gov.uk/national-minimum-wage-rates](http://www.gov.uk/national-minimum-wage-rates).

## 23. Tutoring

STPCD 2021 introduced clarity on arrangements for payment to main pay range teachers and upper pay range teachers in respect of tutoring work undertaken to

address learning disruption as a result of the Coronavirus pandemic. The mechanism for payment should be through TLR3 (for additional work undertaken outside normal directed time but during the school day) and/or through the facility for payment in respect of out of school hours learning activity (for additional work undertaken outside the school day). The school will use these mechanisms where tutoring work is undertaken.

## **24. Data Protection**

The school has in place arrangements with its payroll provider to ensure that it has measures to safely and securely process employees' personal data. In particular, data collected during the payroll process is held securely and accessed by, and disclosed to, individuals only for the purposes of paying you in accordance with your employment contract. Inappropriate access or disclosure of employee data constitutes a data breach and should be reported in accordance with the school's data protection policy immediately. It may also constitute a disciplinary offence, which will be dealt with under the school disciplinary procedure.

## **Annex 1 – Pay and performance management appeal procedure**

An employee may appeal against any determination or proposed determination in relation to their pay or performance management.

Possible grounds for appeal are that the person or committee that made the decision:

In the case of teachers:

- incorrectly applied a provision of the STPCD
- failed to have proper regard for the relevant statutory guidance
- failed to take account of relevant evidence
- took account of irrelevant or inaccurate evidence
- failed to apply the school's pay policy
- was biased, or
- otherwise unlawfully discriminated against the teacher.

In the case of support staff:

- has applied the job evaluation scheme incorrectly
- has not taken into account all relevant information when grading the job
- referred to incorrect or out of date information when grading the job
- failed to apply the school's pay policy
- was biased
- otherwise unlawfully discriminated against the member of support staff.

All decisions on teacher pay are made by the Governing Board and appeals should be heard through the Pay appeal procedure in Annex 2.

For support staff, where the school is bound by, or has adopted, Norfolk County Council's Modern Reward Strategy, decisions on grading are taken by the County Council. In those cases, where an employee wishes to appeal against the allocated grade, they should follow the appeal arrangements within the Modern Reward Strategy. The school will facilitate wherever possible.

For support staff, where the school is not bound by Norfolk County Council's Modern Reward Strategy and has determined to adopt alternative arrangements, all appeals will be heard through the Pay appeals procedure at Annex 2(b).

For appeals against pay progression decisions within an agreed grade or range, the following arrangements will apply:

- the member of staff receives written confirmation of the pay determination and, where applicable, the basis on which the decision was made
- if the member of staff is not satisfied, they seek to resolve this by discussing the matter informally with the decision maker within 10 working days of the decision
- where this is not possible, or where the member of staff continues to be dissatisfied, they may follow a formal procedure as set out below
- the member of staff puts in writing their reasons for appeal. This should be sent to the person or committee that made the determination within 10 working days of the notification of the decision, or within 10 working days of the informal discussions that attempted to resolve the matter.

- the person or committee who made the determination should provide a hearing within 10 working days of receipt of the written grounds for questioning the pay decision to consider this. The member of staff must be given an opportunity to make representations in person and will be entitled to be accompanied by a colleague or trade union representative. Following the hearing, the member of staff should be informed in writing of the hearing's decision and the right of appeal
- any appeal should be heard by a pay appeals committee composed of three governors who were not involved in the original determination, normally within twenty working days of the receipt of the written appeal notification. At the hearing, the member of staff lodging the appeal should be given the opportunity to make representation in person and to be entitled to be accompanied by a friend or trade union representative
- a designated member of the appropriate pay committee (or where the decision was made by the Headteacher, the Headteacher) will present evidence to support the original decision
- both parties may call witnesses
- relevant papers will be exchanged by the parties no later than three working days before the hearing
- the pay appeals committee will deliberate in private and will communicate their decisions to all parties in writing within 48 hours.

The decisions of the Governing Board's pay appeals committee are final and there is no recourse to the staff grievance procedures.

Such appeals relate only to decisions made by the Governing Board and not to any determination made under changes to pay and conditions by accredited third parties.

Each step and action of this process should be taken without unreasonable delay. The timing and locations of the formal meetings must be reasonable and allow both parties to explain their cases.

The detailed procedure for the hearing of the appeal is set out in Annex 2 to the school's pay policy.

- The applicant's achievements and contribution to the school are substantial and sustained, beyond that expected of a classroom teacher on the main pay scale.

Applicant to discuss the process with their appraiser and/or the Headteacher, either during the appraisal review or at another agreed time.

Before 30th June, the applicant should submit a letter of application to the Headteacher, outlining their wish to move to the upper pay range, with a written summary of evidence (as described in the school's pay policy) and evidence of their most recent, successful appraisal outcome.

The evidence should outline how the relevant standards are demonstrated in the teachers practice.
