Internet safety — Snapchat

The **minimum age** to use Snapchat is **13**.

What's the problem?

It's easy to sign up if you're younger
There's a 'high' risk of seeing sexual content, and of bullying
Your child's location could be shared automatically with their contacts, which could put them in danger if they have strangers as 'friends' on the app
There's a risk of children being 'groomed' by strangers into sharing pictures and information about themselves. Gangs also use apps to groom and recruit children. **Please see the advice leaflet on our website:** <http://www.langhamvillageschool.com/learning/online-safety/>

World Book Day

On World Book Day we all came dressed as characters from a favorite book. All the costumes were amazing!

On Red Nose day the children wore something to make their friends smile or an outfit that made them happy. There were some great ideas and we raised a grand total of £224

Our sponsored 'Jogagthon' was an amazing success, thank you to the School Council for organising this.

We raised an incredible £880

Thank you so much for your generosity and for supporting the children in their efforts to raise money for this worthy cause.
