September Plans

Class Teachers

Coral Class—Miss Scott

Amber Class—Mrs Watchorn

Quartz Class—Miss Edgington and Mrs Kossowicz

Jet Class—Mrs Cotton and Miss Crichton

We are excited that Miss Crichton will be completing her teacher training apprenticeship in Jet Class next year.

A teaching apprenticeship is a structured program that allows aspiring teachers to gain practical experience in a real classroom setting. It combines hands-on teaching with professional guidance and academic coursework. This approach equips new teachers with the skills and confidence needed to provide exceptional education.

We are confident that Miss Crichton's teaching will be a valuable addition to our Jet Class, and we look forward to the impact she will have on our pupils' learning experience.

Good luck Miss Crichton!
