What a Brilliant Start to the Year!

We are delighted to share that the children have made a fantastic start to the new academic year. Coral Class have settled in beautifully – what a super group of learners they are!

You may have already seen our **School Improvement Targets** for this year, which were shared via email and can also be found on our website. We're really excited about the year ahead and all the opportunities it will bring for our children.

This year, **Coral Class** will be using *Tapestry* to record and celebrate progress, while other classes are sharing learning journeys through a secure *Padlet*. We hope you're enjoying this window into classroom life – it's wonderful to be able to share these special moments with you.
