AFTER SCHOOL WRAPAROUND
Ending After Easter

We want to thank all families who have supported this provision.
Over the past year we have:

Trialled the provision for a full year
Worked hard to make it successful
Sent out a parent survey to review demand

Unfortunately, not enough children have been regularly attending to make the provision financially viable.

The club was supported by Government funding, but this funding is no longer available. Without this subsidy, and with low uptake, we are unable to continue running the provision sustainably.

Thank you for your understanding and continued support.
