Parent Governor

We're looking for a parent who might be interested in joining our Governing Body as a Parent Governor.

It's an important role that comes with quite a bit of responsibility and a fair time commitment. Governors attend regular meetings, read through detailed documents, and take part in discussions and decision-making about how the school is run. There's also some training involved to help you understand the different aspects of the role.

This role requires reliability, preparation, and the willingness to get to grips with a lot of information. It is a meaningful way to contribute to the life of the school. If more than one parents comes forward we will hold an election.

If you think you could take this on, please contact the school office to express your interest.

Governing Body

Our Governors are: Kate Jackson (Chair) Polly Kossowicz, Emma Cotton, Maggie Broad, Kirsty Daniels, Rossanna Evans

Contact: office@langham.norfolk.sch.uk

The minutes of Governors meetings can be found on the website.
