1st October 2026

Amber Class outing to the Holkham Estate

Dear Parents,

On **Monday 19th October 2026**, Amber Class are visiting the **Holkham Estate** as part of their science and geography curriculum. They will be experiencing and observing seasons and seasonal changes. The education team are going to lead an Autumnal day for us, with a deer safari and activities in the walled garden.

The cost will be £12 per child.

On the day, the children will be transported on our school minibus: we will make two trips in each direction, with the waiting group enjoying a bit of time on the play area.

The children will need to **dress appropriately for outdoors and wear wellies**, please. They will need a **packed lunch and their water bottle**.

Previous year groups have enjoyed this trip and we are sure it will be a really lovely way of bringing the classroom learning to life.

Please give permission and pay on Scopay.

Many thanks

Kate Watchorn & Team Amber
