Year 6 Crucial Crew – Wednesday 21st October 2026

Dear Year 6 Parents,

On Wednesday 21st October, Year 6 will be travelling to Gresham's Prep School to take part in Crucial Crew, an interactive safety education programme designed to help young people learn how to keep themselves and others safe.

During the session, the children will take part in a series of practical workshops led by professionals and community organisations. These will cover important real-life situations, helping children to recognise potential dangers, make sensible decisions and understand how to respond safely in different circumstances. Topics may include personal safety, road safety, emergencies and knowing where to seek help. The aim is to build the children's confidence, independence and awareness as they prepare for the transition to secondary school.

The children will travel by minibus, leaving school at **8.45** and returning in time for lunch. Please ensure your child brings a water bottle with them.

Please note that there will be no swimming on this day.

Please give permission for your child to attend via Scopay.

Many thanks for your support.
