18th November - 15th December.

After Christmas Year 5 will have Forest School on a Wednesday.

Classroom Connect

An opportunity for your children to show you their work and classroom.

10th Dec & 11th Feb

School Improvement and Development Plan

1 Build on the Artsmark Award through music and drama

Continue to develop our arts provision, building on our Artsmark success, with a particular focus on music and drama.

2 Raise attainment and improve pupils' fluency, reasoning and problem-solving in mathematics

Ensure all pupils develop strong mathematical skills, fluency and confidence to reason and solve problems.

3 Continue to raise attainment and enhance experience of science in KS1 and 2

Provide exciting, hands-on science learning that deepens understanding and sparks curiosity.

4 Strengthen teaching and learning so that pupils know more, remember more and apply their knowledge

Continue to develop high-quality teaching and a curriculum that helps pupils build secure, lasting knowledge.

5 Continue to develop pupils' understanding of cultures, religions and the diverse world in which they live

Help pupils become curious, respectful and informed citizens who understand the wider world.

6 Strengthen governor monitoring of SEND, inclusion and curriculum impact

Ensure governors continue to provide strong challenge and support, with a clear focus on the impact of provision.

7 Develop and embed Pupil Parliament as a meaningful vehicle for pupil voice

Give pupils a stronger voice in shaping our school, ensuring their ideas help inform decisions and developments.

8 Strengthen nurture, SEND and inclusive provision

Continue to ensure every child is supported to thrive through high-quality nurture, SEND and inclusive provision.

Attendance

Children must arrive in class between 8.30 and 8.45 in the morning, it is very disruptive when children arrive late.

Thank you for your support.
