Pupil Parliament – Important Reminder for Parents and Children

Dear Parents and Children,

A quick reminder for anyone who is putting themselves forward as a candidate for our Pupil Parliament.

Once your nomination/application has been completed, there is no need to hand it in to school. Please keep it at home, as you will need it to help you prepare and practise your speech.

During the week beginning 12th October 2026, all candidates will have the opportunity to give their speech to their class. This is your chance to explain why you would make a good Pupil Parliament representative.

For our Year 6 candidates standing for Deputy Prime Minister and Prime Minister, there will also be the opportunity to present your speech in a whole-school assembly.

We would encourage children to practise their speeches at home so that they feel confident when it is their turn to speak. Don't worry about making it perfect – we are looking for children who can share their ideas, speak clearly and show that they care about making a difference in our school.

We are really looking forward to hearing all of your fantastic ideas!

Good luck to everyone taking part!

Best wishes,

Mrs Cotton
