Autumn term 1 2026

Langham Village School

Langham News Bulletin

There has been lots happening both in and out of the classroom.
Here's a round-up of what we've been up to over the first half of the Autumn term

What at busy half term!

The first half term has been packed with memorable experiences, new beginnings and opportunities for children to learn beyond the classroom. From outdoor adventures and creative writing to pupil leadership and fundraising, there has been plenty to celebrate. Here are some of our highlights.

A warm welcome to our new Reception children

We are delighted that 15 children joined Reception this September. Our newest pupils have been settling into Coral Class, getting to know their classmates and becoming familiar with the routines of school. It is lovely to see them beginning their Langham journey, making new friends and growing in confidence as they explore all that school has to offer.

Year 6 adventure at Bawdsey Manor

Year 6 enjoyed their residential visit to Bawdsey Manor in Suffolk. The children had the opportunity to take on exciting outdoor challenges, work together and make lasting memories with their friends. A residential is a special part of the final year at Langham: it gives pupils time to build independence, encourage one another and enjoy new experiences together.

Growing and discovering at Holkham

Our Year 5 pupils havebeen to Holkham Walled Garden to start their year-long gardening project. Through regular visits and practical activities, they are building their gardening knowledge and finding out more about growing plants, caring for the garden and the natural environment. Amber Class also enjoyed a visit to Holkham, where a deer safari gave them the chance to observe the deer before exploring seasonal changes in the Walled Garden. It was a lovely way to connect classroom learning with the world around them.

Celebrating poetry, books and creativity

We are very proud of two of our pupils, who were both finalists in this year's Landscape and Literature competition. Their lovely poems were inspired by the theme 'Pathways' and celebrated the imagination and creativity of our young writers. The older children also enjoyed a special author talk from Zahra Nabi. Her visit gave pupils the opportunity to hear about books and writing, share in her enthusiasm for storytelling and feel inspired to develop their own ideas.

Our Pupil Parliament: pupils making a difference

A new Prime Minister has been elected, alongside new representatives from each year group. The Pupil Parliament has select committees: Sport, the Environment, STEM and the Arts. These committees give children a chance to discuss the things that matter to them, put forward ideas and take an active role in school life. We are looking forward to seeing the projects and positive changes they help to bring about over the coming year.

Teddies, fundraising and outdoor learning

Our children have been helping to raise funds for new outdoor equipment. Our 'Bring a Teddy to School' day, brought lots of smiles and a wonderful collection of cuddly visitors into school! Thank you to everyone who supported the event. The money raised will contribute towards improving our outdoor equipment and creating even more opportunities for active play and learning outside.

Thank you for being part of our school community

We are proud of all that the children have achieved and grateful to our families and wider community for helping make these opportunities possible. We look forward to another half term of fun, creativity, friendship, ambition and discovery.

Langham Village School – **a place for fun, creativity, friendship, ambition and discovery.**
