6th November 2026

Dear Jet Class Parents,

I am writing to inform you about an aspect of our science, PSHE & RSHE curriculum that your child will be taking part in.

Jet Class will be learning about the changes that happen to our bodies during puberty and how to stay healthy as we grow and develop. These lessons will cover the physical and emotional changes associated with puberty, as well as the importance of personal hygiene and looking after our physical and mental wellbeing.

All content will be delivered by experienced staff in a respectful, age-appropriate and factual manner. Our aim is to provide clear, accurate information and help pupils feel informed and confident as they approach adolescence.

Thank you for your support.

Mrs P Kossowicz
Headteacher
